

Career Objective

Passionate and detail-oriented Computer Science & Engineering student with hands-on experience building responsive, user-friendly, and scalable web applications using the MERN stack. Eager to leverage strong skills in React.js, Next.js, Node.js, and MongoDB to contribute to a dynamic development team and grow into a professional Full Stack Developer while continuously learning modern technologies.

Skills:

Frontend: HTML, CSS, JavaScript, **React.js**, **Next.js**, TypeScript, Tailwind CSS, Framer Motion

Backend: **Node.js**, **Express.js**, **MongoDB**, REST APIs, **PostgreSQL**

Tools & Platforms: Git, GitHub, VS Code, Postman, Figma, Vite, Vercel, Firebase

Interpersonal: Effective Communication, Team Collaboration, Problem-Solving, Quick Learner, Time Management

Projects

Smart Gadgets Platform — Modern E-Commerce Web App

[\[Live link\]](#) [\[Github\]](#)

- Developed responsive app using Next.js App Router, featuring analytics with Recharts and dynamic filtering.
- Implemented authentication and session handling using BetterAuth with Google OAuth, JWT verification.
- RESTful APIs with Node.js, Express, and TypeScript, leveraging MongoDB indexing, pagination.

Tech Stack: Next.js 14, TypeScript, Tailwind CSS, Node.js, Express.js, MongoDB, BetterAuth, Recharts

eBook Platform — Digital Book Store

[\[live site\]](#) [\[Github Client\]](#)

- Developed a **digital bookstore** with features for browsing, searching, and reading eBooks online
- Integrated **CRUD operations** for book management with a clean, category-based navigation system
- Built with **client-server architecture** separating frontend and backend for scalability

Tech Stack: Next.js, Node.js, Express.js, MongoDB, Tailwind CSS

Online Learning Platform — E-Learning Web App

[\[live site\]](#) [\[Github\]](#)

- Built a full-featured **course browsing and enrollment** interface with dynamic content rendering
- Implemented **user authentication and role-based access** for students and instructors
- Designed a **responsive, mobile-first UI** ensuring seamless experience across all screen sizes

Tech Stack: Next.js, Node.js, Express.js, MongoDB, Tailwind CSS

Education

International Standard University

2022 – 2026

Bachelor of Science (B.Sc.) in Computer Science & Engineering (CSE)

Language Proficiency

Bangla: Native | **English:** Basic
